## **1000 GENERAL ADMINISTRATION**

### **1036 ENERGY POLICY**

It shall be the policy of the Bay de Noc Community College Board of Trustees to encourage conservation of all forms of energy used at the College. The need to conserve the Nation's energy resources and the economic reality of increased cost of utility services requires that an energy conservation program be supported by all College personnel.

#### **PROCEDURE:**

- 1036.1 All college employees have a responsibility for implementation of this policy.
- 1036.2 The President shall appoint an Energy Conservation Advisory Committee to assist in establishing long-term energy conservation goals.
- 1036.3 All new construction and renovations will seek energy conservation measures and implement energy conserving systems and utilities.
- 1036.4 Energy conservation progress reports shall be made to the Board of Trustees annually.
